

What is TOKO TOKO?

A place where preschool children and their parents can play together.

TOKO TOKO Seven Functions

1 Hiroba

(Open Play Space)

This is a place where parents and children can relax and enjoy themselves. Parents can support each other, interact, and exchange information.

2 Consultation

Child care consultation service is provided. If needed, you can consult with specialist. (A private consultation is available at Counseling Room.)

3 Collection and provision of information

We collect information on child care support services and provide them at Hiroba and on the website, etc.

4 Network

We aim to build a support network among parents, supporters and relevant organizations to develop local child care support services.

5 Human Resources Development

We offer learning opportunities for persons who are involved with child care support and cultivate human resources for child care support.

6 Yokohama Childrearing Support System, Kanazawa Ward

We broaden relationship with others by leaving a child in someday's care or by looking after a child in the local community with an aim towards community-wide child care support.

7 Yokohama Childrearing Partner

We listen sincerely to your concerns about childrearing and work with you. We provide necessary information and/or connect you to the related organizations enabling you to utilize the system and local facilities, etc. for assistance in childrearing.
